* The hints for access key

1. For online proctoring exam, access key(s) will be mentioned against respective subjects booked by you.

** NOTE:

1. Students needs to book slots for all eligible papers at one go to avoid any inconvenience.
2. Access key will only work at the time of examination.

Exam Instructions

1. Admit Card downloaded from the student login is an important document that every student must carry while going for the examination. It contains the subject, date and time (IST) of examination etc. Please contact student support if you are having any problems while downloading admit card.
2. Print a copy of the Admit Card and keep it with you.
3. Do not deface or attempt to make changes in the information provided in the Admit Card.
4. Apart from the Admit Card, please keep any one of the following in original as your Identity Proof: - Passport, Driving License, Aadhar Card, PAN card or Voter ID Card.
5. You are not allowed to leave the seat during the test.

6. You are not allowed to use mobile phones, calculators or other devices during the test. You can use a paper and pen for rough work and calculations. If required, the proctor may request you to show your rough work.
7. Please ensure all other software/applications that might cause pop ups are turned off.
8. You are not allowed to switch the browsing window during the test. You will be provided with 2 warnings and the test window will automatically close on the third attempt.
9. You will not be provided with any extra timing for the restroom breaks, it will be part of an aggregate time provided for an assessment.
10. Please ensure that you are not running / attempt to start any remote access software before or during the test. As this will automatically close your test browser.
11. You are not allowed to connect any extended screen/projector along with the system being used during the test.
12. You must keep a valid photo ID (attached during registration) handy before you start and during the test.
13. No one should be sitting/standing near you during the test.
14. Please ensure you are the only person in the room during the test and there is no disturbance. At any point of time during the test, you can be asked by the proctor through Chat, to turn your Laptop/Webcam to show your surroundings.
15. Please ensure that there is proper lighting in the room.
